

MOBILE COMMERCE 2021

HYBRID EDITION

14TH
INTERNATIONAL
MOBILE COMMERCE
CONFERENCE IN
PAKISTANJune 3, PC Hotel
Karachi

As you are aware that telcos and solution providers are now converging on variety of platforms and thus services are being created to enable mobile devices to perform many activities including financial transactions. Mobile banking provides yet another channel for banking services, and in emerging markets, provides some possibilities for becoming a primary channel, to outreach customers any where any time.

Pakistan has witnessed an unprecedented growth in its mobile subscriber's base. Till date more than 100 million cellular connections have been issued in Pakistan. Offering mobile banking services to such large base of customers has the potential to become a very effective and widely used channel for banking.

Realizing the potential of this upcoming trend TOTAL Communications is organizing 14th International Conference on Mobile Commerce in Pakistan on June 3, 2021 at PC Hotel, Karachi Pakistan. This is Pakistan's most high profile and the only established annual event on Mobile Banking taking place for the fourteenth consecutive year in Karachi, Pakistan.

We feel it will be an excellent opportunity for your organization to project its corporate image in front of entire financial sector, telco's, utility industry, retail sector, regulators as well as the government. Please find below the participation package for your possible support. An early decision will ensure good placement of your organization in this premier event.

Regards,
Faisal Rahim
